#### **Important Information**

- This is a brief summary of benefits. Refer to your ConnectiCare Benefits, Inc. Policy for complete details on benefits, conditions, limitations and exclusions. All benefits described are per member per Calendar year.
- The individual deductible applies if you have coverage only for yourself and not for any dependents. The family deductible applies if you have coverage for yourself and one or more eligible dependents. If you have family coverage, each covered family member needs to satisfy his or her individual deductible, not the entire family deductible, prior to receiving benefits that are subject to the deductible.
- If you have questions regarding your plan, visit our website at [www.connecticare.com](http://www.connecticare.com) or call us at (860) 674-5757 or 1-800-251-7722.
- ConnectiCare offers a Telemedicine benefit for all members. The type of provider you see will determine the cost share and will follow the PCP or Specialist office visit.
- Many services require that you obtain our pre-certification or pre-authorization prior to obtaining care prescribed or rendered by non-participating providers or a benefit reduction will apply. For mental health, alcohol, and substance abuse services call 1-888-946-4658 to obtain pre-authorization.
- Out-of-Network reimbursement is based on the maximum allowable amount. Members are responsible to pay any charges in excess of this amount. Please refer to your ConnectiCare Benefits, Inc. policy for more information.
- Your plan is insured by ConnectiCare Benefits, Inc.
- Under this program covered prescription drugs and supplies are put into categories (i.e., tiers) to designate how they are to be covered and the member's cost-share. The placement of a drug or supply into one of the tiers is determined by the ConnectiCare Pharmacy Services Department and approved by the ConnectiCare Pharmacy & Therapeutics Committee based on the drugs or supplies clinical effectiveness and cost, not on whether it is a generic drug or supply or brand name drug or supply.
- Generic drugs can reduce your out-of-pocket prescription costs. Generics have the same active ingredients as brand name drugs, but usually cost much less. So, ask your doctor or pharmacist if a generic alternative is available for your prescription. Also, remember to use a participating pharmacy. Most pharmacies in the United States participate in our network. To find one, visit our Web site at [www.connecticare.com](http://www.connecticare.com) or call our Member Services Department at 1-800-251-7722.
- Certain prescription drugs and supplies require pre-authorization from us before they will be covered under the policy. You should refer to your ConnectiCare Benefits, Inc. policy, visit our Web site at [www.connecticare.com](http://www.connecticare.com) or call our Member Services Department at 1-800-251-7722 to find out if a prescription drug or supply requires pre-authorization.
- Most specialty drugs are dispensed through specialty pharmacies by mail, up to a 30 day supply. Specialty Pharmacies have the same Member Cost Share as all other participating pharmacies and are not part of ConnectiCare's Voluntary Mail Order Program. The Member Cost Share for Specialty Pharmacy is different from the Cost Share for ConnectiCare's Mail Order program.
- Always remember to carry your ConnectiCare ID Card.
